

The logo for 'EVO' is written in a fluid, black cursive script. The letters are connected, with a long, sweeping tail on the 'O' that extends to the right.

, short for evolution, represents time-honored, old world traditions evolving full circle into fresh new beginnings. As a fourth-generation Italian chef, each day I source and handpick the seasonal, fresh ingredients to incorporate into contemporary variations of my family's secret recipes, traditional treasures with a fresh new twist.

Our wine list reflects this philosophy with a mix of old-world classics and new world finds, across a broad range of prices, vintages, and styles. While our wine list is Italian focused, we have also tasted and chosen selections from around the world that display characteristics and styles we feel complement our menu.

So, I invite you to sit back, relax, make yourself at home and trust us to delight your palate and satisfy your soul. Do not hesitate to ask for advice. We are very proud of our wine selections and happy to talk about them.

Chef Erik
